STIPULATION AND PROPOSED
RESOLUTION BY MOHAVE
ELECTRIC COOPERATIVE, INC.
AND
UNS ELECTRIC, INC.

Mohave Electric Cooperative, Inc. ("Mohave") and UNS Electric, Inc. ("UNS"), by and through their attorneys undersigned, in an effort to avoid the time and expense of a contested hearing and possible litigation, and without waiving any claims they may otherwise have, respectfully jointly stipulate and submit this proposed resolution of the above-captioned dockets.

WHEREAS, on or about August 23, 1994, following receipt of the May 3,

1994 letter from Citizens Utilities Company ("Citizens") and after negotiating the necessary power supply agreements with the Arizona Electric Power Cooperative, Inc. ("AEPCO") and North Star Steel ("NSS"), Mohave filed an application for the transfer of a portion of Citizens' CC&N involving a 1,040-acre site near Kingman, Arizona in Sections 4, 5, and 9, Township 20 North, Range 17 West, Mohave County, Arizona (the "NSS Site") where North Star Steel wanted to build a mini-mill steel recycling facility;

WHEREAS, the Commission approved Mohave's application by Decision No. 58798, dated October 14, 1994, and transferred the portion of Citizens' CC&N as described in Exhibit A to Decision No. 58798 to Mohave.

WHEREAS, a plant was constructed on the NSS Site and Mohave met its electric needs through contractual arrangements with AEPCO and the plant owner;

WHEREAS, prior to 2005, Mohave had constructed a distribution system on the NSS Site and secured power from Citizens to serve the electrical needs of all customers, other than the plant, on the NSS Site (i.e., contractors involved with constructing the NSS plant and a trucking operation established on the site);

WHEREAS, in 2004, Central Trucking, Inc. ("CTI") indicated it had a prospective need for electric service on the NSS Site;

WHEREAS, disputes have arisen between Mohave and UNS as to the provision of electric service to CTI and the NSS Site and those disputes have resulted in a the filing of the above captioned Complaint and Application;

WHEREAS, the Commission entered an Emergency Order for Provision of Electric Service (Decision No. 67535) ordering UNS to provide CTI service pending the resolution of these matters; and

WHEREAS, Mohave and UNS believe it is in the public interest to resolve the outstanding disputes as set forth in this Stipulation.

NOW THEREFORE, Mohave and UNS respectfully request that the Commission enter a Decision and Order in the above-captioned matters:

1. Transferring to UNS Electric, contingent upon UNS Electric's payment to Mohave of \$48,070.00¹ for Mohave installed facilities ("Mohave Facilities"),² that portion of Mohave's CC&N granted pursuant to Decision No. 58798, excepting the portion thereof depicted by Exhibit A³ attached hereto (the "Plant Site");
2. Approving the transfer of the Mohave Facilities to UNS;
3. Transferring, without the need of further order of the Commission, the Plant Site, the earlier of:
 - a. December 31, 2010; or
 - b. On the date specified by Mohave in a written notification to UNS Electric and the Director of Utilities that the customer's electric needs no longer can be met by the existing MEC contractual arrangements; such written notification to be provided not less

1 The \$48,070.00 is composed of the \$67,400 in facilities set forth in Exhibit B depreciated on a straight-line basis with a twenty-five (25) year remaining life using a thirty-five (35) year life span.

2 All Mohave Facilities are being transferred "As is", and Mohave shall assign or quit claim all easements and rights-of-way to the extent they contain the Mohave Facilities; provided, however, that the transfer of the Mohave Facilities and related easements and rights-of-way shall not take place and UNS shall have no obligation to pay for the Mohave Facilities unless and until any and all necessary approvals, assignments, and/or releases are received from the Rural Utilities Service (RUS) and any other lienholder in relation to the Mohave Facilities.

3 The parties will provide a legal description for the Plant Site prior to the hearing.

than six calendar months prior to the date specified in the written notice.

4. Dismissing with prejudice all issues raised in Mohave's Complaint and UNS' Application as they relate to the provision of electric service to the NSS Site. Such dismissal shall have no precedential effect whatsoever beyond the NSS Site.

DATED this 17th day of June 2005.
